LEGAL FIGHT TO

Man Said to Have Sent Bomb Warning Held as Lunatic

HAMILTON, Ont., Sept. 18 .- A legal fight loomed today for extradilien of Edward Fischer, detained here in connection with warnings he issued concerning the New York ex-

Counsel for Fischer insist that, having been adjudged insane by the Hamilton lunacy commission after his arrest here yesterday, he cannot be removed from Canada.

United States secret service men tere claim that several years ago Flacher was detained in an asylum in the United States and that this paves the way for his immediate de portation from Canada.

Attempt at Suicide R. A. Pope, Fischer's brother in law, told of an attempt at saicide which be said Fischer had made about fifteen years ago during an attack of despendency. According to Pope, Pischer climbed out on the suspension bridge at Ningara Falls and lowered himself so that he hung from the trestle. As he was about tose his grasp, Pope said, Fischer and he had a vision in which his mother urged him not to destroy imself. He scrambled back on the bridge and returned home.

His mother had been askep at the time her son was banging from the restle. Pope said, and in a dream had seen her son there in the shadow of death.

American officials are investigating a nationent credited to Fischer that he had been in communication

Dr William L Russell, medical superintendent of Bloomingdale hospital, said today that Edward P. Pischer who issued the warning concerning the New York bomb explos ion, had been confined at the hospital in 1901 for about 18 months and

flew to confinement in a sanitarium, but he eluded them.
